Dear Tremendous Trio:

Enclosed you will hopefully (maybe) (possibly) find my second Meeno biography that I have mailed to you. I'm sure it's chock full of just about everything you ever needed to know about this 13 (almost) year-old groovy guy.

I would certainly appreciate it if you would not include my address or phone number in any of your mailings -- I'll leave it to you all to handle his hordes of fans!

Glad you could all come to the lot yesterday, and I look forward to hearing from you in the future.

Best,

P.S. Please send me a complete fan club kit when it is completed.
